Both Ms. Valente and Ms. Dooley appreciated our thinking of them before disposing of these documents, some of which are now out of print and very hard to get. 9. (Unclassified - GLC) LIAISON Charles Lombard, staff assistant to Senator Barry Goldwater (R., Ariz.) called this morning to say he thought we would be pleased with the statement that Senator Goldwater will be making at the Senate Select Committee hearing this morning. Lombard said it was directed at the midlevel of the Agency and recruitment, the Senator feels very strongly that these hearings are doing the Agency much harm and he hopes his statement will counter the adverse impact it is having on Agency morale. After the hearing, I called Lombard and expressed our thanks for the Senator's statement (as the Director had done at the hearing). Lombard said he would send us copies.
